

WW1 Reproductions and Great War Replicas for WW1 Period Reenactors / Collectors

All replica items are, of necessity, hand-made limited editions and are based as close as possible on originals, or in the absence of hard information, some artistic licence and period details may be incorporated, following many years of research.

Details and prices may be changed without notice, usually in the pursuit of improvement. Please monitor the website (www.tommypackfillers.com) for newly introduced items.

An order form is present at the end of the list.

WW1 weapons repros, Great War soldier equipment replicas available from Tommy's Pack Fillers
